2ND ANNUAL COMMUNITY TALENT SHOW

We're looking for anyone ages 5-105 with a talent to share! Auditions will be held in March, with the show being April 2nd. Last year's show was a huge success with over 30 acts performing and over 350 people in the audience! For more information, please take an orange form located on the table by the front gym entrance.

CALLING ALL SINGERS!

For the second year in a row, the Mishicot H.S. choir would like to invite community members to join us in song! The community choir will perform during our spring choral concert, May 11 with two evening practices held in late April or early May to prepare. The piece to be performed is currently T.B.A., but music and practice tapes will be available once the size of the choir has been determined. Last year we far exceeded expectations with over 40 adults joining us for a performance of Handel's 'Hallelujah Chorus'. This year we hope to have even more adults join us! For more information, please take a blue form located on the table by the front gym entrance.
